The illustration features a dark blue background. In the center is a light blue rectangular slide. On the slide, a yellow folder icon is positioned behind a large, bold, black number '1600'. Below the number, the text 'Remember big numbers catch your audience's attention' is written in a white, sans-serif font. To the right of the number is a white upward-pointing arrow. A red line graph with circular markers at its ends is drawn across the slide, starting from the bottom left, curving upwards, and ending at the top right. In the background, behind the slide, are two overlapping window-like shapes. The one on the left is red and contains a circular graphic with blue and white bubbles and a green circle below it. The one on the right is white and partially obscured by the slide.
